FOREWORD

The current issue of the “Statistical Hand Book, Assam, 2016” is the 48th in the series.

Keeping in view of the importance of data needs, utmost efforts have been made by this Directorate to incorporate the latest & updated information of different socio-economic aspects of Assam covering upto 2015-2016 in the current issue of this statistical publication. Besides incorporation of comparative statistics with other states and the country as a whole, information of inter-district, inter-regional disparities have also been included in this Hand Book. However, due to non-availability of latest data in a few cases, last year published data have been repeated.

This Directorate wishes to keep in record the continued and generous co-operation extended by various Departments and Organizations in bringing out this statistical publication and acknowledged with gratitude.

The efforts put in by the officers and staff associated in compiling this voluminous publication is sincerely appreciated.

This Directorate is constantly endeavouring to improve the quality of the publication. Comments/suggestions for further improvement in the content and quality of the publication would be highly appreciated.
